## Introtweet Social Media Management Testimonials:

**“Laura and Introtweet have revolutionised our social media activity. We struggled by for years trying to DIY our social media until we took the very wise step to bring Introtweet on board. Followers have nearly doubled inside the first 3 months, I can now focus on other areas and we've won 2 Twitter awards due to content! I heartily recommend fellow do it yourself campaigners to let Introtweet take the reigns”**

**"I wanted to take this opportunity to say thank you for the past few months that you have been tweeting on Red Berry Recruitments behalf. I am aware that our twitter numbers, for Red Berry have increased substantially and my own personal twitter followers have too. You have shown Emma Haskins my Social Media Manager some great little tools and I believe that with your help and guidance we will be able to maintain the growth and presence on our social media that we have seen.**

**You are a pleasure to work with and I look forward to working with you in the continued future.”**
